About Green Job Board Game - Green Frontier

In collaboration with Press Start Studios and backed by the Lingnan University Entrepreneurship Fund, Climate Incubator presents the Green Job Board Game "Green Frontier." This innovative educational tool aims to inspire and equip young minds with the essential knowledge and skills for thriving in green careers. Participants delve into diverse roles within the green sector, understanding key skills and qualifications, and collectively tackling challenges posed by climate change on communities. Through interactive role-playing activities, the initiative seeks to nurture interest in green career paths.

Should you have any queries, please don't hesitate to contact Ms. Carly Leung at admin@climateincubator.hk. We appreciate your continued support and eagerly anticipate your participation in our upcoming workshops!

Best regards,
Climate Incubator Team
