

The Chinese University of Hong Kong
Shaw College Exchange Programmes 2025/26
Application Guidelines

Special Note

1. The finalized list of exchange programmes and associated places might not be available until early-January 2024 so the current list of exchange programmes and respective admission requirements are for reference only.
2. When applying, you should list your preferred exchange destination(s) in the [Online Application Form \(Part I\)](#). You have to review the finalized exchange programme list and revise your choices around early-January 2024.
3. Each student could only accept one offer for 2025/26, regardless of exchange period. Therefore, students who had accepted a term-time exchange offer for 2025/26 from any CUHK units will not be given any offer by Shaw College.
4. Applications from eligible students who have neither been on term-time nor summer exchange will be placed before those who had been on term-time and/or summer exchange.

Eligibility

1. Due to limited places available, the following rules will be implemented for the 2025/26 outgoing exchange selection exercise (this selection).
 - 1.1 All full-time undergraduate students of Shaw College are eligible in this selection.
 - 1.2 Higher priority will be given to students Year 2 or above and Year 1 (senior-year intake ONLY).
 - 1.3 According to the [Regulations Governing Full-time Undergraduate Studies](#), CUHK students who have satisfied all graduation requirements shall graduate (Regulation 12.1).  - 2.1 In good academic and disciplinary standing at CUHK (cumulative GPA of 2.70 or above and fulfill the GPA requirement set by the host institution)
 - 2.2 Possess a valid TOEFL or IELTS score report issued on or after 1 September 2023 (the minimum score required will vary between different programmes)
